Hello and Welcome!

Country Club of Pittsfield

Thank you for your interest in becoming a member of the Country Club of Pittsfield! We pride ourselves on maintaining over 120 years of history and tradition. Although times have changed, the Club remains focused on the same objectives as it did when it first began; to provide the finest activities and social events to its members, their families and friends. Our Country Club allows our members the ability to share their social and recreational interests in a casual and private setting, which transpires into the development of ongoing relationships with other members and staff.

Melissa Aitken, General Manager

The CC of P gives you the opportunity to become a part of a long standing history of Berkshire County. We are the only year-round full service club in the Berkshires. Your decision to join the Country Club of Pittsfield may be inspired by our sporting and social offerings, but it will be validated each year by the relationships forged with other members and our dedicated staff. We look forward to welcoming you to our special place in the Berkshires.

Membership Categories and Fees

To Apply for a Membership:

1) Complete the nomination form in its entirety, including the names of your sponsoring member and two secondary members, all of whom are to have been a CC of P Member for at least 2 years. Your sponsor will assist you with your two seconders if you do not have them. The signed, completed nomination form and a check for the appropriate initiation fee are to be sent to the Membership Committee, Country Club of Pittsfield, P.O. Box 538, Pittsfield MA 01202-0538

2) The next step in the process is to have your sponsor get the three (3) letters of recommendation (sponsoring and seconding) to the Membership Committee. Once these letters are received and, should you not know two(2) members of the Board of Directors, you will be invited to meet with two Board Members. The Board, upon completion of the above requirements, will then vote to circulate your name(s) for membership to the entire CC of P Membership. After the 2 week waiting period has been completed by the Board of Directors will vote, at its next meeting, on approving your CC of P Membership.

3) Once approved, and if there is no "waiting list" at the time, you will be notified of the date for your required orientation at which you will receive your account number for Club charges and information on all areas of the CC of P. Once you've participated in the orientation, your sponsor will continue to be available to see that your transition into Club life is smooth, answer any questions you may have and guide you through your initial months as a member.
