THIS IS WHERE YOU BELONG

Greetings!

You have been personally recommended for membership at the Country Club of Pittsfield.

The most successful private clubs are those built around the foundation of enduring relationships and social camaraderie between friends and associates. With that core philosophy in mind, we are embarking on a very specific initiative that allows our members to identify individuals whom they feel will properly embrace the culture and traditions of our club and to personally invite them to join.

At the Country Club of Pittsfield, we understand the importance of personal connections and a sense of community. For years, we've provided a safe, secure, and welcoming environment that fosters lasting relationships and a strong social atmosphere. We believe this unique sense of belonging will resonate with you and your family, making the Country Club of Pittsfield the perfect place to connect, unwind, and grow together.

We offer our members 18 holes of championship golf, extensive practice facilities, active social programming, dining, tennis, pickleball, paddle and lake facilities which makes for their own private retreat! Choosing to become part of our club family is a decision that will lead to a lifetime of cherished memories and enduring friendships.

Our 2025 marketing initiative allows you to experience our extraordinary club without the payment of an up-front initiation fee, by simply committing to a Preview Membership Term for twelve (12) consecutive months (applicable dues and charges will apply). While you will have the opportunity to continue your membership beyond the Preview Term by paying the initiation fee payment in full, we want to give you compelling reasons to secure your membership earlier.

If you purchase your membership within the first 60 days of the Preview Term or by October 15, 2025, whichever occurs first, you may pay your initiation fee with a convenient staged payment plan. Additionally, you will also enjoy monthly statement credits to your club account based on the category of membership in which you are approved.

Included within this communication, you will find all the information you will need to begin the process of joining our private club family. If you would like to accept this invitation please complete and return the Application for Membership and Preview Relationship Agreement to the club office.

If you have any questions or if you would like to set up a private tour of our club facilities, please contact Kaitlyn Picard, Membership Manager, at (413) 447-8500 ext. 12 or [kpocard@ccpittsfield.org](mailto:kpocard@ccpittsfield.org). We look forward to welcoming you into our private club family.

Sincerely,

Board of Directors  
The Country Club of Pittsfield
