

The COUNTRY CLUB *of* PITTSFIELD Membership

OUR FAMILY ORIENTED FOUR SEASON CLUB OFFERS ACTIVITIES FOR EVERYONE!

Thank you for your interest in becoming a member of the Country Club of Pittsfield. We pride ourselves on maintaining over 114 years of rich history and tradition. Although times have changed throughout the century, the Club has remained focused on the same main objective, to provide the finest activities and social events available to its members, families and friends. Our Country Club allows our members the ability to share their social and recreational interests in a casual and private setting, which transpires into the development of ongoing relationships with other members and staff. The CC of P gives you the opportunity to become a part of a long standing history of Berkshire County. We are the only year round full service club in the Berkshires. Your decision to join the Country Club of Pittsfield may be inspired by our sporting and social offerings, but it will be validated each year by the relationships forged with other members and our dedicated staff. We look forward to welcoming you to our special place in the Berkshires.

Initiation Fee

All membership categories are subject to an initiation fee. Please check with the main office for current rates and incentives.

A change in membership to any other classification may require payment of an additional initiation fee.

Annual Assessment

May be required (and may vary per member category) in order to support capital improvements to the facility.

To apply for a membership:

- 1) Complete the nomination form in its entirety, including the names of your sponsoring member and two (2) seconding members, all of whom are to have been a CC of P Member for at least 2 years. Your sponsor will assist you with your two seconders if you do not have them. The signed, completed nomination form and a check for the appropriate initiation fee are to be sent to the Membership Committee, Country Club of Pittsfield, P. O. Box 538, Pittsfield, MA 01202-0538.
- 2) The next step in the process is to have your sponsor get the three (3) letters of recommendation (sponsoring and seconding) to the Membership Committee. Once these letters are received and, should you not know two (2) members of the Board of Directors, you will be invited to meet with two Board Members. The Board, upon completion of the above requirements, will then vote to circulate your name(s) for membership to the entire CC of P Membership. After the 2 week waiting period has been completed the Board of Directors will vote, at its next meeting, on approving your CC of P Membership.
- 3) Once approved, and if there is no "waiting list" at the time, you will be notified of the date for your required orientation at which you will receive your account number for Club charges and information on all areas of the CC of P. Once you've participated in the orientation, your sponsor will continue to be available to see that your transition into Club life is smooth, answer any questions you may have and guide you through your initial months as a member.

Restaurant Minimum

Each member category requires a restaurant minimum with the exception of Junior Memberships. Minimums are either monthly or yearly and apply to food, beverage, to go orders and club events. Please inquire with the Main Office for details.
