

Dear Membership,

The Golf Shop doors remain locked and I will not be allowed to open them in the short term. With little to no guidance on when the phases will shift for golf and our retail operation, I am trying to remain hopeful before I must cancel more incoming orders. I will begin offering curbside pickup this coming Monday. Our capacity for this offering will be limited given we are still not allowed to have “staff” on property in the golf operation! I encourage all members to begin following me on my social media channels for inventory updates. I wanted to extend another opportunity to purchase Golf Shop credit. All funds will be added directly to your member account and can be used now through October 31<sup>st</sup>, 2020. These funds can only be used toward merchandise. During these uncertain times, I appreciate your support of the Eric Mabee Golf Shop. We are in lean times and every piece of business makes a difference.

**Online Shopping Links**

You can still shop for all your CCOP gear digitally! With help from Titleist, FootJoy, Winston Leather and all Summit Golf Brands, I have built websites you can shop safely from the comfort of your home. Click on the logos below to begin shopping. All items will be logoed with “Club Colors” on the left chest. If you prefer no logo, please email the order directly to the Golf Shop.

**Golf Shop Credit\***

Golf Shop credit can be pre-purchased, and funds will be added to your member account. Funds can be used toward Golf Shop merchandise only. This credit offer will expire on May 31<sup>st</sup>, 2020. Please email Eric at [emabee@ccpittsfield.org](mailto:emabee@ccpittsfield.org) if interested in purchasing a loyalty package.

Loyalty Packages	Member Investment	Member Credit	FREE Money
Eagle Package	\$2,500	\$2,750	\$250
Birdie Package	\$1,000	\$1,100	\$100
Par Package	\$500	\$525	\$25

*Currently, Golf Shop credit can only be applied to FootJoy, Titleist and Turtleson orders when purchasing online.*

**Golf Lessons**

Many members have been asking about golf lessons and when the staff will begin to teach. We have no direction from Mass.gov as to when we can begin to teach. I am hopeful the range will be an added amenity shortly, but we are uncertain if lessons will be allowed in Phase 1. I miss helping all of you and look forward to seeing you all again on the practice tee!

Sincerely,

Eric Mabee, PGA
