## Categories & Fees

### To Apply for a Membership:

1) Complete the nomination form in its entirety, including the names of your sponsoring member and two secondary members, all of whom are to have been a CC of P Member for at least 2 years. Your sponsor will assist you with your two seconders if you do not have them. The signed, completed nomination form and a check for the appropriate initiation fee are to be sent to the Membership Committee, Country Club of Pittsfield, P.O. Box 538, Pittsfield MA 01202-0538

2) The next step in the process is to have your sponsor get the three (3) letters of recommendation (sponsoring and seconding) to the Membership Committee. Once these letters are received and, should you not know two (2) members of the Board of Directors, you will be invited to meet with two Board Members. The Board, upon completion of the above requirements, will then vote to circulate your name(s) for membership to the entire CC of P Membership. After the 2 week waiting period has been completed by the Board of Directors will vote, at its next meeting, on approving your CC of P Membership.

3) Once approved, and if there is no "waiting list" at the time, you will be notified of the date for your required orientation at which you will receive your account number for Club charges and information on all areas of the CC of P. Once you've participated in the orientation, your sponsor will continue to be available to see that your transition into Club life is smooth, answer any questions you may have and guide you through your initial months as a member.

### Initiation Fee

All membership categories are subject to an initiation fee. Please check with the Main Office for current rates and incentives.

\*A change in membership to any other classification may require payment of an additional initiation fee
